

The God of All Comfort

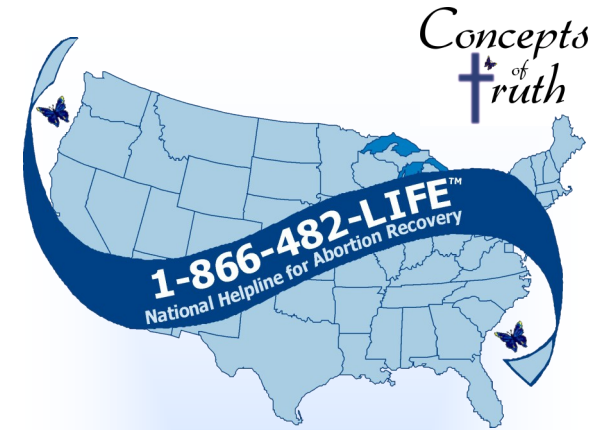

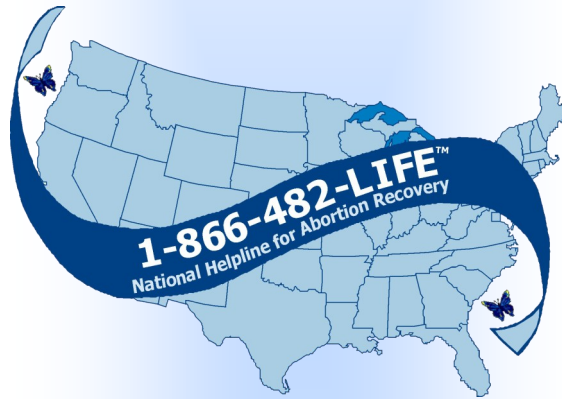

“Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves have received from God.”

II Corinthians 1: 3-4

Millie Lace, MSE, LPC is a Licensed Professional Counselor in Arkansas. She & her husband Dail are the founders and directors of the National Helpline for Abortion Recovery, a ministry of Concepts of Truth, a non-profit professional counseling center they founded in 2001. The couple experienced an abortion in 1979 and now share the truth that abortion hurts physically, emotionally, and spiritually.

Dail & Millie are passionate about helping others find the forgiveness, love and grace they have found through God's Son, Jesus Christ. They give their daughter, Jill Allison purpose & honor by sharing their testimony and speaking the truth in love. Dail & Millie's dramatic testimony reveals the truth about abortion and the shame that silences men and women. They have interviewed on TV and radio and their skills enable them to help churches and others with counseling needs. Their audiences are moved as men and women are coming forward for help and healing as they minister.

Dail & Millie's abortion story was recently included in the devotional book, ***Sisterhood of Faith: 365 Life-Changing Stories about Women Who Made a Difference*** by Howard Books and ***Real Abortion Stories, edited by Barbara Horak***. Also, Millie testified as an expert witness and entered excerpts from the National Helpline to the South Dakota Legislative Task Force, conducted workshops at the United Nations and presented at the Family Research Council's Pastor's Briefing in Washington, D.C. Testimonies of Hope & Healing!

Caller #528, Laura, Montana (by permission)
"I am free! I am forgiven and set free! I went to Tanzania to teach Midwifery skills to women but I could not have done this without

facing the past. I could not hold a baby before. Teaching midwifery was only possible because I have let God work in my life to set me free from my past abortions. I am thankful that a friend copied down the National Helpline for Abortion Recovery phone number and gave it to me! He said the Holy Spirit would not let him rest until he did! Wow! God is so good!"

Caller # 528's pastor writes, "I see the clear eyes of confidence in Laura in a new way now. She does not have to keep striving to stay on the treadmill of trying to gain approval. She is not on the outside looking in at 'respectable Christianity' anymore. She is inside the family." —Pastor Baker

"This has been the best call of my life!"
